

Below you will find answers to some frequently asked questions about moving at Home Properties of Devon. If you have a question about moving that is not answered here, please contact your community office at (610) 687-4522

### **Do you have restricted hours for moving?**

Residents may move into the property at anytime. We do have a move-in process that needs to be completed in the office on the day of your move. This process can take up to thirty minutes and must be completed during business hours.

### **Do you have special parking arrangements during a move?**

We do not have assigned parking on the property. We welcome all visitors and guests to park in our lots.

### **Do you provide boxes?**

Currently, we do not offer boxes for your move; however, there are several local stores within walking distance that have some available for purchase.

### **What should I do with used boxes that need disposing?**

We have two locations on our property for disposal of your boxes in the recycling bins. For non-recyclable items, you may use the regular bins.
